

Dear Families:

These are the latest updates as of September 17, 2020

The chromebooks were dispersed this week. If you were unable to come pick one up please let your teacher know so that we can schedule a time for you to drop by. Please remember that we only have one per family at this time.

We are expecting our hotspots and workbooks Friday. Please let us know if you believe a hotspot would work for you. If you have a Verizon tower in your area the hotspots should be an option for you. If not, we are able to use flashdrives to deliver work to your student as well. Lastly, the school parking lot is available with free internet from 6 am to 5 pm, Monday through Thursday.

Packets are given out with lunches for Elementary students on Mondays & on Tuesdays for the MS students. They are due the following week. There are dropboxes located in front of the school & outside the gate. Lunches are distributed at 11:30 am at the following locations: White Buffalo, New HUD, Old HUD, & City Park.

Teachers are on campus two days a week. Mondays/Wednesdays the Elementary Teachers are in the building and the MS Teachers on Tuesday/Thursday. They are available to meet with you by appointment, under the canopies located in the back of the property. Social distancing as well as masks are required in these meetings. We have school masks for sale at cost (\$6.00).

Stay safe.

Take Care,

Dr. Effie Dean

Superintendent / Principal

Nespelem S.D.
