

Dear Families:

These are the latest updates as of September 10, 2020

The chrome books have arrived! We are currently preparing them for delivery. We are hoping to have them ready for a drive-through pick up on Tuesday the 15th from 9-10 am & 2-3 pm for MS students, and on Wednesday the 16th at the same times for ELEM students. Please remember that we only have one per family at this time. We hope to have more in the future.

We will have a zoom Parent TECH Night on Wednesday the 16th @ 5:30 pm. The link will be included in the chrome book packets. We will have additional trainings available in the future as well.

Workbooks have been ordered and should arrive any day that match our online curriculum Accelerate. This will help our students to move forward even if the internet is not an option. We also have flash drives available. Please communicate to your teacher about what is needed to help your student be successful.

Packets are given out with lunches for Elementary students on Mondays & on Tuesdays for the MS students. They are due the following week. There are drop-boxes located in front of the school & outside the gate. Lunches are distributed at 11:30 am at the following locations: White Buffalo, New HUD, Old HUD, & City Park.

Teachers are on campus two days a week. Mondays/Wednesdays the Elementary Teachers are in the building and the MS Teachers on Tuesday/Thursday. They are available to meet with you by appointment, under the canopies located in the back of the property. Social distancing as well as masks are required in these meetings.

Stay safe.

Take Care,

Dr. Effie Dean

Superintendent / Principal

Nespelem S.D.
