Dear Families & Staff,

As your new Superintendent/Principal, I want to say thank you for being so welcoming. I feel honored to have the opportunity to serve this community.

As you know, we are living in remarkable times. As we look to the fall and the challenges and opportunities in front of us, we are going to plan for as much in-person learning as possible within safety guidelines, and at the same time are looking into options if you do not feel comfortable having your student return to campus.

There will be opportunity for you to be involved in the planning for the next school year if you'd like. The first opportunity is this survey:

- Paper/pencil mail in option
- Website link

I would also like to invite you to a meeting in an informal setting where you can voice your input, learn about the current state/health guidance, and ask any questions you might have. Look for these meetings to be announced soon.

Our team is going to do everything we possibly can to ensure that your student thrives in our current environment. If you are unable to make the meetings, or at any time want to reach me, please email me at: edean@nsdeagles.org or call 509-634-4541- ext. 110

Sincerely,

Dr. Effie Dean
